

**SUSTAINABLE
TEST – HOW
MALAGA?**

**TOURIST
GREEN IS**

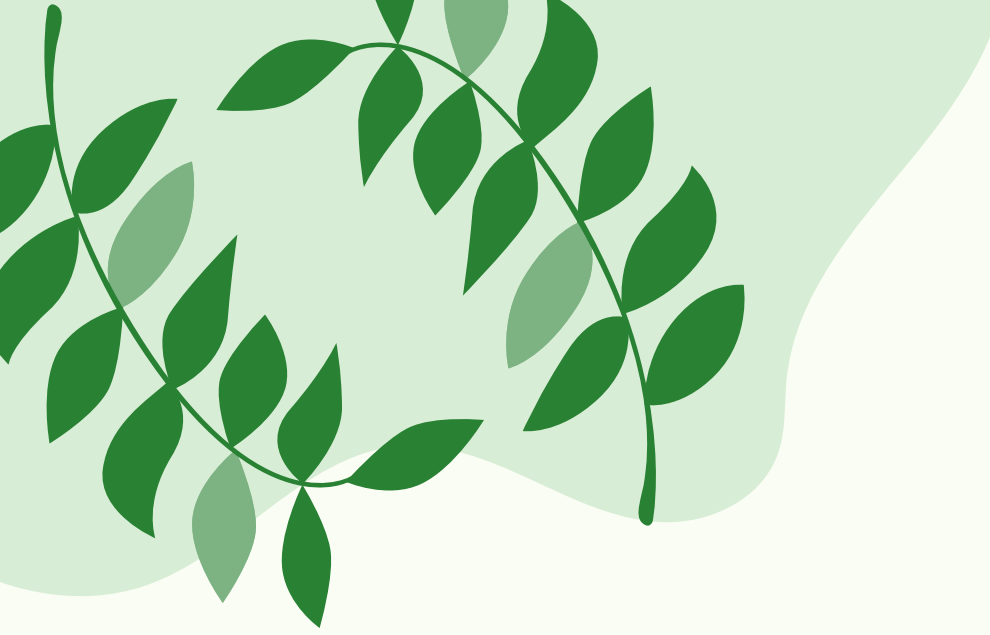

PUBLIC TRANSPORT

Public transport in Malaga is easy to use and well connected.
Buses help reduce traffic and air pollution in the city.
Bicycle and pedestrian paths make it much easier to move around.
A lot of people ride scooters and bicycles

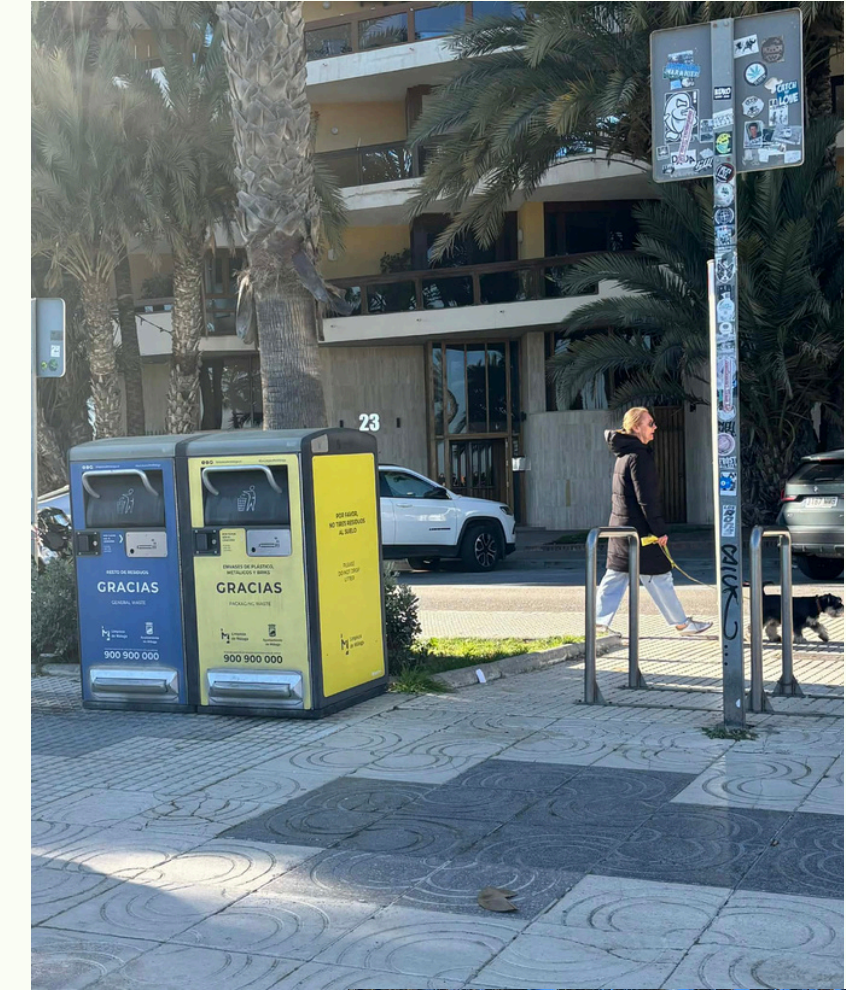

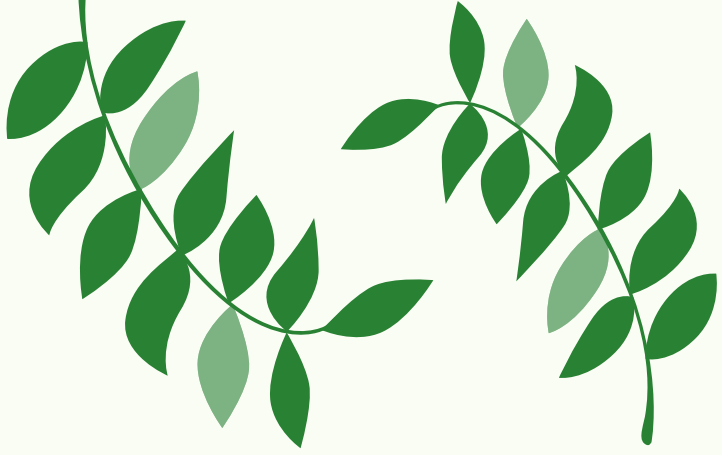

WASTE SEGREGATION

In Malaga there are a lot of bins for waste segregation in public space.

This makes it easier for residents and tourists to take care of the environment.

TO SUM UP, MALAGA HAS VERY GOOD ACCESS TO PUBLIC TRANSPORT, IT IS VERY CLEAN AND TAKES GREAT CARE OF THE ENVIRONMENT
